

CERTIFIED CARBON REDUCTION MANAGER (CRM)

11-14 OCTOBER 2010 (BIRCHWOOD EXECUTIVE HOTEL AND CONFERENCE CENTRE, JOHANNESBURG)

The Energy Training Foundation (ETF) in conjunction with the Association of Energy Engineers (AEE) in the USA is presenting a 4-day Certified Carbon Reduction Manager (CRM) program that is designed to provide recognition for professionals who have distinguished themselves as leaders in the growing field of carbon reduction. The designation CRM identifies individuals who have demonstrated high levels of technical expertise in energy management and environmental practices.

The 4-day Certified Carbon Reduction Manager (CRM) program, which will be followed by an optional exam to become a Certified Carbon Reduction Manager (CRM), will be held during the week of 11-14 October 2010 at Birchwood Executive Hotel and Conference Centre, Johannesburg. The optional examination will take place on Friday, 14 October 2010.

Program Objectives:

- To raise the professional standards of those engaged in carbon reduction.
- To improve the practice of carbon reduction by encouraging energy business professionals in a continuing education program of professional development.
- To identify persons with acceptable knowledge of the principles practices of carbon reduction professionals through completing an examination and fulfilling prescribed standards of performance and conduct.
- To award special recognition to those individuals who have demonstrated a high level of competence and ethical fitness for carbon reduction.

Examination and Training Requirement:

All CRM candidates must attend Certified Carbon Reduction Manager four-day training program and complete and pass a four-hour written examination. Examination questions are based on concepts such as:

- Carbon Audit
- Emissions Reporting/Verification
- Emissions Conversions
- Energy Efficiency Technologies
- Renewable Energy Sources and Green Power
- Fleet Management
- Emissions Trading
- Recycling and Water
- Financing and Marketing

On day four, the Certified Carbon Reduction Manager (CRM) program examination will be administered to seminar participants who have applied and pre-registered for the exam in advance. There is no obligation to write the Certified CRM exam on the last day of the 4-day training course. Persons who are interested in attending only the energy management course are free to do so. It is preferred that you register in advance if you want to write the CRM exam and submit your CRM application. However, if you decided not to write the CRM exam but change your mind during the course to write the exam we will accommodate you. You will then have to submit the CRM application afterwards. Persons attending the CRM Course will receive a certificate of attendance.

ELIGIBILITY AND COSTS:

Eligibility:

The prerequisites to qualify for the certification process have been designed to take into account the possible diversity of education and practical experience an individual may have. However each CRM candidate must meet the following criteria:

- A four-year engineering or architectural degree, and/or the current status of Certified Energy Manager (CEM) in good standing.
- or a four-year business or related degree, with at least three years experience in energy/carbon management.
- or a two-year technical degree, with at least five years experience in energy/carbon management.
- or eight years or more of verified experience in energy/carbon management.

Costs:

The costs are the following:

4-Day CRM course, Textbooks for 4-day CRM course, Exam and Registration: R 13 500 excl vat

It is important to note that full payments will have to be received at least one month in advance. If you are interested in attending the 4-day course and write the exam, we should have received your payment by 1 October 2010.

Please note: It will be the responsibility of the course participants to book their own accommodation, breakfast and dinner. Lunch will however be provided. A list of accommodation possibilities will be forwarded to you with confirmation of attendance.

Where can you register or apply?

Attached are the documents that you can use to register for the training course:
